

Society for Veterinary Epidemiology and Preventive Medicine (SVEPM) 2026 Annual Conference

Sponsorship Opportunities

Date: 25–27 March 2026

Venue: Senate House, University of London, Malet Street, London, WC1E 7HU

Gala Dinner: Thursday 26 March, The Bloomsbury Ballroom, Bloomsbury Square, London, WC1B 4DA

The Society for Veterinary Epidemiology and Preventive Medicine (SVEPM) invites sponsors to be part of its prestigious 2026 annual conference, hosted in the heart of London by the **WOAH Collaborating Centre for Risk Analysis and Modelling**, a partnership between the UK's Animal and Plant Health Agency (APHA) and the Royal Veterinary College (RVC).

The Risk Analysis and Modelling Collaborating Centre of the **World Organisation for Animal Health (WOAH)** uniquely combines the strengths of a higher education institution (RVC) and a government agency (APHA). These complementary institutions are both leaders in the provision of high-quality education, research and consultancy with a track record of successful and high impact collaboration in the application of risk analysis and modelling to animal and veterinary public health issues.

SVEPM Membership

- **Founded:** 1982
- **Members:** ~250 professionals from 24 countries
- **Disciplines:** Veterinary and non-veterinary epidemiologists, public health experts, academics, and policy professionals

SVEPM members are deeply engaged in advancing animal and public health through science, policy, and practice, making them an ideal audience for sponsors in diagnostics, pharmaceuticals, data analytics, and education.

Why Sponsor SVEPM 2026?

- **Global Reach:** Attracting veterinary epidemiologists, public health professionals, and researchers from across Europe and beyond.
- **High-Impact Networking:** Engage with decision-makers, academics, and policy influencers in animal health and public health.
- **Brand Visibility:** Showcase your organisation in a world-class venue and through conference materials and digital platforms.
- **Scientific Excellence:** Support a conference that promotes cutting-edge research in disease control, animal welfare, and veterinary and public health policy.

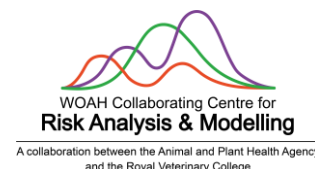

London Advantage

London offers unmatched international connectivity, a vibrant cultural scene, in a rich academic and policy environment, making it an ideal setting for impactful engagement and extended networking.

Society for Veterinary Epidemiology and Preventive Medicine (SVEPM) 2026 Annual Conference
